Welcome to the Pinehurst — 2,536 square feet of modern elegance and effortless comfort. The first-floor primary suite creates a private retreat with a spa-like ensuite and generous closet space. Throughout the main level, soaring ceilings, oversized windows, and hardwood floors set a bright, inviting tone. The kitchen features wood cabinetry, induction cooking, and stone countertops that open to a welcoming dining area — perfect for everything from quiet mornings to lively evenings with friends.

Upstairs, a spacious loft adds openness and flexibility to the design. Every element of the Pinehurst is crafted to make daily living beautiful, comfortable, and
