This new community of 32 homes is across the street from Tumble Brook Country Club. The homes have first floor primary bedrooms and are available in a variety of one- and two-story home designs including Farmhouse, Traditional, and Federal. Highlights of the model home at 9 Edith Lane include a hidden shoe rack door leading from the walk-in primary closet one of 3 primary suite closets to the laundry room, a 2-story foyer with wainscoting and an art niche, and a second floor overlook with an oak railing and black iron spindles with views of the great room with a vaulted ceiling and an electric linear fireplace. There are 5 Velux

skylights including a Cabrio balcony skylight and a tubular skylight. The finished basement includes a Rockwell for more natural light and egress. This home has contrasting perimeter and island cabinetry in the main level kitchen and contrasting upper and lower cabinetry in the basement kitchenette. Specialty cabinets include a double wall oven cabinet, a double waste basket cabinet and a microwave drawer cabinet.
